Fundamentals of Animal Sheltering: Basic Animal Care Best Practices 101

Join us for the unique opportunity to gain updated information and refresh your current knowledge base on shelter animal care

The Shelter Medicine Track, of the Animal Care Conference (ACC), is hosting an exclusive Pre-Conference Workshop whose sessions focus in-depth on animal care practices based on current research, shelter experiences and outcomes. This day-long will emphasize best practices throughout shelter animal care with an aim to help prioritize what is most important and also what can be let go of to allow time to do what matters most. The sessions are specifically designed for: shelter veterinarians, RVTs, animal care managers and all staff with decision making and protocol development responsibilities.

Speakers:

- Dr. Kate Hurley, DVM, MPVM, Program Director, UC Davis Koret Shelter Medicine Program
- Dr. Cynthia Karsten, DVM, Shelter Medicine Alumnae, Outreach Veterinarian, UC Davis Koret Shelter Medicine Program
- Dr. Denae Wagner, DVM, MPVM, Chief of Service, US Davis Koret Shelter Medicine
